

Resolution 78-16¹⁵

Dorm Directors' Zones in Parking Structure

Introduced 2/20/79

Passed/Failed Passed Feb. 19, 1979

Whereas, ASG has proposed a circle driveway (with a number of load and unload zones along its perimeter) in front of McCormack Hall, and,

Whereas, ASG wishes to retain the beauty for which Western's campus is famous, and wishes to help alleviate the parking problem until the driveway can be built,

Therefore, be it resolved, that ASG recommends that the dorm directors' parking zones of McCormack and Gilbert be moved to the third floor of the parking structure, and that the present directors' parking spaces be changed to fifteen minute load and unload zones. And,

Therefore, be it also resolved, that ASG continues its support for Resolution 78-13, and recommends the driveway be built to complement Western's beauty.
